WOODSTOCK HOUSING REHABILITATION LOAN PROGRAM

The Housing Rehabilitation Loan Program is designed for low to moderate income homeowners and landlords with low income tenants to address safety and public health code violations, as well as provide funds for necessary house repairs.

Funds will address safety and public health code violations first but also may be used by homeowners for common repair projects including but not limited to, septic system repairs, roofing & siding, structural deficiencies, replacement windows, plumbing, electrical, and heating systems.

The Housing Rehabilitation Loan Program is funded by a Community Development Block Grant from the United State Department of Housing and Urban Development and administered through the State Department of Economic and Community Development.

Housing Rehabilitation Projects have a \$25,000 spending cap per eligible applicant. To be eligible for the Program applicants must income-qualify and be current on town taxes. Projects must also be able to address all serious housing deficiencies while staying within the spending cap.

All eligible moderate income applicants will receive a no-interest loan that is 50% deferred until the property transfers ownership, and 50% no-interest loan paid over ten years in monthly installments. Lower income applicants will have loans that are one hundred percent (100%) deferred until the property transfers ownership.

Completed applications may be mailed to Woodstock Housing Rehab Program, 415 Route 169, Woodstock, CT 06281 or dropped off at the First Selectman's Office in an envelope addressed to the Woodstock Housing Rehab Program.

The Town of Woodstock has designed the Program to give life threatening and serious public health hazards first priority. Applications that do not meet these criteria will be placed on a waiting list and will be addressed as funding allows.

Upon acceptance in the Program applicants must submit a copy of their latest IRS tax return, current pay stubs, and homeowner's certificate of insurance.
